Prof. Victor Zlatkov, MD, PhD
Rector of Medical University - Sofia

Dear Prof. Victor Zlatkov,

I am extremely grateful for the opportunity to introduce our recent progress in iPS cell research and fruitful discussions with the attendees at Bulgarian Academy of Sciences.

It was also a great time for me and my wife to meet you and your colleagues at the lunch and to talk with you in person.

In addition to the above, I would like to express my deepest gratitude for your generous and kind hospitality during our visit to Medical University - Sofia.

I look forward to seeing you again in the near future.

Sincerely yours,
